

**PLEASE NOTE: THIS DOCUMENT IS FOR
PREVIEW/PLANNING PURPOSES ONLY. ALL REPORTS
MUST BE SENT THROUGH THE CORE-NC PORTAL.**

Welcome to the **Annual Impact Report Portal** for the North Carolina opioid settlements. Under the Memorandum of Agreement (MOA), a local government that receives, holds, or expends Opioid Settlement Funds must file an annual impact report within 90 days of the end of the fiscal year. The information you provide will be available to the public through the Community Opioid Resources Engine (CORE-NC).

DEADLINE TO FILE THIS REPORT: For the 2023–2024 fiscal year, the annual impact report must be uploaded to this portal by **September 27, 2024**.

HOW TO FILE THIS REPORT: There are two alternative portals used to file the report; and the portal you use depends on the amount of Opioid Settlement Funds your local government receives. This portal is for local governments that receive less than four-tenths of one percent (0.4 percent) of the total Local Government Allocation as listed in MOA **Exhibit G**. If your local government receives a higher percentage, please use the other portal: Visit Portal.

An overview of the information necessary to complete the Impact Report can be found [here](#). **Please make sure to have all the required information available before beginning this form.**

ADDITIONAL INFORMATION OPTIONAL BUT ENCOURAGED: For any local government that receives less than four-tenths of one percent (0.4 percent) of the total Local Government Allocation as listed in MOA **Exhibit G**, additional information on process, quality, and outcome measures as well as demographic information is optional but strongly encouraged. To submit the optional measures and demographic information, this [Excel workbook](#) must be uploaded along with your report.

HOW TO LEARN MORE: Learn more about this report in Part 5 of the FAQ about the MOA (found at the [NC MOA Resource Center](#)) or and in the MOA itself (sections F.6 as well as [Exhibit F](#) as modified by the NC MOA Coordination Group).

For questions about this form, please contact opioidsettlement@unc.edu. For legal questions about the opioid settlements or MOA, please contact opioidsettlement@ncdoj.gov. For technical assistance planning, implementing, or evaluating strategies to address the opioid overdose epidemic, please contact opioidsettlement@ncacc.org.

NEW WAYS TO SHARE YOUR PROGRESS!

For local governments that disbursed funds to support at least one strategy in FY 23–24, we’ve developed new and better ways to share your progress:

PROGRESS REPORT SPOTLIGHT: Later this year we will launch a new “Local View” for each local government that receives Opioid Settlement Funds. Because of limited space on the “Local View” dashboard, only one strategy-specific PROGRESS REPORT will be featured on your “Local View” for each fiscal year. You will be asked to select which PROGRESS REPORT you would like to spotlight on your Local View. Be ready to make your selection before beginning the form.

SUCCESS STORY SPOTLIGHT: MOA Exhibit F encourages (though it does not require) that local governments receiving less than four-tenths of one percent (0.4 percent) of the total Local Government Allocation provide a success story for each funded strategy. Because of limited space on the “Local View” dashboard, only one strategy-specific SUCCESS STORY from each local government’s Impact Report will be posted on the CORE-NC “Local View” dashboard each fiscal year. If you provide success stories, you will be asked to select which SUCCESS STORY you would like to spotlight on your Local View. The progress report and success story you spotlight do not have to relate to a single strategy; you can spotlight a progress report relating to one strategy and a success story relating to a different strategy if you choose. Be ready to make your selection before beginning the form.

STAGES OF IMPLEMENTATION. In addition, you will be asked to indicate which “stage of implementation” best describes each strategy for FY 23–24:

- Exploration & Planning
- Preparation
- Initial Implementation

- Full Implementation
- Further Expansion

Though your response is optional this year, indicating the stage of implementation gives you a chance to contextualize your impact report data.

For example, you launched the program one month ago, just hired a staff member, and have not started serving community members yet. It would make sense that your “# of unique participants, who use opioids and/or have OUD, served” would be “0”.

If the stage of implementation for a strategy evolved during the course of the fiscal year, please indicate the stage of implementation that best describes your situation at the end of the year. When deciding which stage of implementation best describes your strategy, use your best judgment. There is no “right answer,” and no one will second-guess the stage of implementation you select for each strategy. This [Stages of Implementation](#) document offers definitions and examples of each stage.

If you would like to provide this optional information, please make sure you are prepared to do so before beginning the form. If you have questions about which stage of implementation to report, please contact the Opioid Settlement Technical Assistance Team at the NC Association of County Commissioners at opioidsettlement@ncacc.org.

Brief General Narrative

Local Governments shall provide a brief general narrative of approximately one page (250 words) summarizing how the Local Government made use of Opioid Settlement Funds during fiscal year 2023–2024 to support activities across all funded strategies. The narrative may include success stories, ways in which Opioid Settlement Funds were used to meet community needs, or information on planning, implementation, or evaluation of strategies.

For helpful tips and guidance in crafting your brief general narrative, we encourage you to view our [Guidance for the Brief General Narratives, Progress Reports, and Success Stories](#).

Provide [LOCAL GOVERNMENT]'s **brief general narrative**.

THIS QUESTION IS OPTIONAL FOR LOCAL GOVERNMENTS UTILIZING THIS FORM AND MAY BE SKIPPED

Brief Success Story: Each Success Story celebrates a de-identified person who has benefitted from that funded strategy. Recommended length: approximately one page (250 words).

For helpful tips and guidance in crafting your success story, we encourage you to view our [Guidance for the Brief General Narratives, Progress Reports, and Success Stories](#).

Provide [LOCAL GOVERNMENT]'s **brief success story** for this strategy.

SUCCESS STORY SPOTLIGHT: Given limited space, only ONE success story from each local government per fiscal year will be posted within the CORE-NC "Local View" dashboard.

If you have chosen to optionally provide one or more success stories, you must select ONE success story (across all strategies) that you would like to have as your "success story spotlight". The success story spotlight does not have to be about the same strategy as your progress report spotlight.

Is the above success story the one you would like to spotlight?

- We have elected not to provide any optional success stories this fiscal year.
- Yes, this is the success story we would like to spotlight for this fiscal year.
- No. We will select/have selected another success story to spotlight for this fiscal year.
