

ANNUAL IMPACT REPORT

WHAT IS THIS REPORT?

In the Annual Impact Report, a local government reports on the impact of the programs and strategies it funded with opioid settlement funds during a given fiscal year. This report collects information at the NC MOA strategy level (not at the organization, program, or project level).

WHAT NEEDS TO BE SUBMITTED?

All local governments must provide a brief general narrative summarizing how the local government made use of funds during the fiscal year. For all funded strategies, the local government must submit additional information using the Standard Form (IR-2) or Short Form (IR-1). Counties must also include the date of the most recent annual meeting.

The Standard Form (IR-2) includes:

- Strategy name, letter, and number from Exhibit A or B
- Brief progress report describing strategy and progress made
- Brief success story from a person who has benefitted from the strategy
- One or more process measures, addressing the question, “How much did you do?”
- One or more quality measures, addressing the question, “How well did you do it?”
- One or more outcome measures, addressing the question, “Is anyone better off?”
- Demographic information on the participation or performance of people of color and other historically marginalized groups
- [Stage of implementation](#) that best describes your activities (optional)

While all local governments are encouraged to use the Standard Form (IR-2) for all funded strategies, certain local governments may elect to use the Short Form (IR-1), which requires only a subset of the items. See the [CORE-NC website](#) for more information.

HOW IS THIS REPORT USED?

Information from this report is displayed publicly on the [CORE-NC website](#). People in your community, media representatives, policymakers, advocates, academics, and others will use this information to learn about your efforts to make the best use of opioid settlement funds. This information will also be used to ensure compliance with the NC MOA.

WHEN IS THIS REPORT DUE?

The Annual Impact Report is due within 90 days of the end of the fiscal year (Sept. 27).
